Snowmass - a former ranching community turned destination resort, is a playground for both kids and adults alike. Surrounded by breathtaking mountain vistas and nestled in the Brush Creek Valley, this quaint village features an astounding array of recreational opportunities.

[Snowmass ski area](#) is the largest of the four Aspen Snowmass mountains. In fact, Snowmass Mountain is bigger than the other three mountains—[Aspen Mountain](#), [Aspen Highlands Mountain](#), and [Buttermilk Mountain](#)—combined!

Look to Snowmass for abundant ski-in/ski-out accommodations, extensive and well-maintained hiking, biking, and walking trails, a dedication to the leisure lifestyle, and exceptional guest services.

- Snowmass - 5,527 total acres. 362 trails. 41 lifts. 4 incredible mountains. 2 amazing towns. 1 lift ticket. Endless possibilities. A winter vacation at Aspen Snowmass will engage your mind, body and spirit in ways no other winter vacation will. You could spend your entire trip skiing and riding its terrain without covering the same ground twice. From the choice expert terrain of Burnt Mountain Glades, High Alpine and the Cirque, to the long blue groomers and impressive beginner facilities for newcomers, it is an easy choice.
