

HOT WAX

Vol. 36 No. 6

The Official Publication of Black Ski Inc.

June 2008

President's Corner

Hello Black Ski,

I hope this Hot Wax finds you and your family well.

I would like to thank everyone for your encouragement and support in electing me to be your club president. I am excited, and I am looking forward to working with you

and for you for the next two years.

As time and space permit, I will be reaching out through this newsletter to inform you, solicit ideas and to get feedback on the various issues facing our club.

I know it's summer, but we are already actively preparing for the upcoming ski season, and there are several issues facing us -- such as rising airfares and restrictive luggage policies. These are two things that we will have to adjust to. However, a more urgent concern is the Advance Planning

VP vacancy. This person is responsible for developing the ski schedule, coordinating and monitoring trip directors including reviewing their financial reports and approving the necessary travel and lodging contracts. This office needs a person who has good organizational skills, trip director experience, and excellent people skills. Experience with Excel would be a plus. If this, in anyway, describes you or if you know someone who would be an asset to our club, please contact me. The position term is one year.

In closing I would like to say that we have an Executive Committee that is eager and excited about the business of Black Ski and is committed to continuing the tradition of the best ski club in the NBS. Please feel free to contact me to volunteer, offer suggestions, give feedback, or express concerns. My e-mail address is president@blackskiinc.org and my phone number is 301 808-3190.

Thanks,
Ted Peters

Just down the road, Aspen Mountain has been serving up black-diamond glades, bumps and steeps for anyone who dares step off the lift. Aspen Highlands, the locals' favorite, boasts breathtaking vistas of the surrounding Maroon Bells and an abundance of expert terrain and groomed cruisers.
