Summerfest 2007 in Nassau. WOW!! What a great event.

I joined Black ski three weeks ago and this was my first activity of any kind as a new member. I had only recently met a few members of Black Ski and I really did not know what to expect when I booked this trip. My goal was to meet some new friends, get some rest, play golf and have fun. I accomplished all of my objectives except the part about rest because I didn't get any of that!

I cannot say enough about the professionalism and the camaraderie I experience at this event. Everyone went out of their way to make me feel welcome and I truly felt I was part of a special group of individuals. Every aspect of the trip went more smoothly than I could have imagined - from transportation around the island, hotel registration, golf outings, happy hours, boat trip, Beach party, city tour - everything was organized down to the last detail. I know that all of this was accomplished because of the hard work of many individuals.

Thanks to everyone for making my first Summerfest a truly memorable occasion.
