## Black Ski Youth Program

by Ray Williams and Ken Greenhouse

From the beginning the Black Ski Youth program has had the interest of our youth as it's prime objective. In years past we have had a high number of youth that got involved because their parents were member skiers. Just like their parents we were well represented at NBS events.

The youth program has matured and evolved just like the membership. Not only do we participate in the development program at Ski Liberty but we go bowling and ice skating too. We have also made ourselves available to do ski clinics for other youth groups like the girl scouts.

Some years ago the Black Ski Youth Foundation was created to help fund and promote skiing and winter activities to our community. This has given us tremendous presence in the community. We are looking to expand our name and touch the lives of even more youth. With the help of every grandparent, aunt, uncle and parent, the young people in their lives can possibly benefit from an endeavor with Black Ski. They may already

be involved in the Boy and Girl Scouts, Youth Ministries or some community organization. We could come out and speak to them in these settings and/or assist them with planning their winter/ski outings. We won't know what we can do unless you let them and us know that there is a need. Be the conduit that let's a young person and their peers experience winter like you do.

**THE BOARD OF DIRECTORS,  
EXECUTIVE COMMITTEE AND  
MEMBERS OF BLACK SKI INC.  
would like to express  
condolences to the family  
of Black Ski member  
Larry Coleman for the  
passing of his son  
Lawrence Coleman, Jr.**
