IN MEMORIAM

ROLAND CLAUDE "MICKEY" DIGGS II · 1938 - 2009

On Saturday, January 3, 2009, as the sun began to descend behind the horizon, Roland Claude Diggs, II affectionately called Mickey, departed this earth. He lived and enjoyed this life to the fullest and has now gone to rest with our heavenly Father until we meet again.

The journey of Mickey Diggs began on October 18, 1938 at Columbia Hospital for Women in Washington, DC, and has been nothing short of adventurous ever since. He was the first of six children born to Roland and Addie Diggs. His early religious experience began at The Chapel of Atonement Episcopal Church, where he served as an altar boy. Among his many accomplishments were his involvement in the Boy Scouts of America, and the Civil Air Patrol, which he joined at the age of 14 and began flying. He was formally educated in the Public School System of the District of Columbia and graduated from Eastern High School. He served in the U.S. Air force and was honorably discharged after four years of service.

Mickey began a family, and from his first union, was born his son, Roland Diggs, III (Skipper). He later obtained a Bachelors of Arts degree from the University of the District of Columbia. He furthered his education by taking additional courses at a myriad of institutions of higher learning, including Howard and American Universities. While working for the Department of Defense and living in England, he began skiing in Europe. When he returned to Washington, he became an active leader

in the ski industry. He was a Cofounder of Black Ski Club of Washington, which has grown from a small Club at its inception to a membership of 5000. He continued to serve on the Board of Directors until the time of his death. As the first Executive Director of the Enterprise Foundation/Consortium for Housing and Asset Management, he created from the ground up a program to advance the quality of management in the non-profit affordable rental housing industry. Prior to his retirement, he returned to public service to contribute his experience and knowledge in the field of affordable housing management for the Department of Housing and Urban Development.

The idea of an insurmountable task did not exist in the mind of Mickey Diggs. Mickey and his wife, Donna, met on the ski slopes of Vermont and never stopped seeking adventures together. He and Donna traveled the world, conquering some of the most challenging ski slopes known to man. In addition to his passion for skiing, he loved sailing. He was a seasoned sailor and his courageous spirit inspired him to achieve one of his greatest accomplishments. He fearlessly took the helm as captain of his sailboat, Daybreak, and led a crew to sail from the Virgin Islands to Baltimore, MD. The waters were tumultuous, but his determination was unwavering. Most recently, he has enjoyed countless trips to the Dominican Republic, his home away from home, where he opened a small business and found solace in the warm Caribbean breezes. Throughout their lives, Mickey and his brothers, George, Bob and Mike, shared many memorable adventures which will never be forgotten. In later years, he also began to play golf with his brothers.
