## Black Ski Happenings

### 1-2-Ski Program a Success

The inaugural trip on January 22nd went well. Excitement was in the air as for all 9 youth participants on the bus. We were joined by 2 others accompanied by their parents and 3 young men from a Baltimore church men's mentoring group at the mountain. The mix was good, never-evers and novice, male and female, skiers and riders (snowboarders) with ages from 8 to 16. Movement through the rental process went smoothly as everyone was issued their gear. There were some strange expressions and "how do I fasten this?" and "I can't walk right." It was on to the snow and lessons. After the lessons, the ski ambassadors helped inspire confidence and additional encouragement to our young adventurers as they braved the bunny slope and the adjacent green hill. On the bus home there were stories of the experiences of the day before settling into a slumber.

Special thanks to our parent chaperones for accompanying our participants on the bus and helping during the rental process, Debbie Davis and Helen Greenhouse for their warm smiles and breakfast snacks on the bus, our Ski Ambassadors Beverly Broady, Greg Askew, AC Crowder, Mike and Regina Saizan, Ted Peters, Rod Quick and Ken Jackson for taking the time to work with the next generation of Black Ski members.

The February 5th and 12th outings were rescheduled to February 26th due to lack of snow and too much snow respectively. Happy Trails.

### Racing in Banff 2006

As substitute Race Director, I am happy to report that Black Ski, Inc. took 20 racers to this year's AMCC 2006 Summit in Banff, Alberta Canada. All 20 racers scored points for the club, coming in second place for the large club trophy. The final results were:

1<sup>st</sup> place Jim Dandy Ski Club of Detroit, Michigan with 442 points

2<sup>nd</sup> place Black Ski, Inc. of Washington, D.C. with 380 points

3<sup>rd</sup> place Four Season's West of Los Angeles, California with 323 points

Black Ski lost by 62 points, but it should be noted that 160 points for Jim Dandy was for snow-

boarding medals. Black Ski needs snowboarders. Here is a list of the racers and their accomplishments. Be sure to congratulate them. They did a great job.

The Novice Races were held on Thursday with the temperature at minus 4° F. A special thanks to Anita, Brenda, Amel, Brian, and Victor for representing the club in these extreme conditions. Along with these dedicated racers, we had two outdoor cheerleaders, Marian Webber, and Beverly O'Bryant; and one indoor cheerleader, Martha Hunter. We all appreciated their support.

Please note all of our first-time racers won medals, and scored points for the club. Victor Howard, Brenda Johnson, Richard Peters, Anita Sanders, and Glenda Taylor did an excellent job. Lets encourage them to keep racing and winning.

Challenge Cup awards were awarded to the fastest 10 men and 10 women on the mountain. Delita Drake was 3<sup>rd</sup> fastest of the women, and her husband Henry was the 6<sup>th</sup> fastest man. I finished the Challenge Cup as the 10<sup>th</sup> fastest man.

As you can see, it was a very successful Summit for Black Ski, Inc. I would personally like to thank all of the racers for their good work, racing and representing the club, and for supporting me throughout the week. It was truly a pleasure. I would also like to thank Henry and Delita Drake for their assistance on the mountain during the races, and off the mountain in the Race Director's Meetings. The club and I benefited greatly from their experience and knowledge. Thanks everyone.

— Ted Peters
